

A Message for showing sorrow for Indonesians earthquake suffered by Mesharano jerga of Afghanistan.

Mesharano jerga members heard the tragic news of Indonesian earthquake on 28Th May 2006 which caused death of massive people(more that 5000 person) and wounded more other and displaced a lot of them .

Members of Mesharano jerga believe that human being are members of the same body. So that tragic event made us sorry and we are sad for all those circumstance which occurred over there.

We share our grieve with Indonesian people, specially with the members of the families which did lose their dear members and we prey for them to be patient and God give them his blessing.
